Women's League for Conservative Judaism

The Mission of the women's League for Conservative Judaism is to strengthen and unite synagogue women's groups and their members; support them in mutual efforts to understand and perpetuate Conservative/Masorti Judaism in the home, synagogue and community; and to reinforce their bonds with Israel and Jews worldwide.

Women are the keepers of the flames of the mitzvot, family, study, Israel, Torah and Community. The "W" in the logo suggests the ancient menorah, and the phrase "Mah yafah y'rushataynu" (How beautiful is our heritage) reflects our ongoing commitment to our vital dynamic traditions.

Beth Meyer Sisterhood...

Engaging Women in all Stages of their Jewish Journey

Sisterhood brings together women of all ages and backgrounds to share in fun, exciting and spiritually-inspired events. Through Sisterhood, you will connect with fellow Sisterhood members in friendship and within your Jewish community. By becoming a member of Sisterhood, our hope is that you continue to grow in leadership roles and in your understanding and enjoyment of Judaism. Beth Meyer Sisterhood's long-standing traditions play a vital role in the life of the Beth Meyer community. Our mission is "to promote the religious and cultural aspects of Jewish living for our synagogue's women and youth."

Sisterhood is continually looking for ways to engage women in all stages of their lives. When you join Sisterhood, you are joining a community of women who support each other, celebrate each other, grow with each other and reach out to enrich the lives of others.
